EXPLORE THE REGION

[Tamworth - Explore the Tamworth region - Destination Tamworth](#)

Oxley Scenic Lookout

Though it's just 2km from the Tamworth CBD, the Oxley Scenic Lookout feels like it's a world away from the hustle and bustle. It's a popular destination for walkers and runners, and with magnificent views of Tamworth and the Peel River Valley plus toilet and picnic facilities, it's a lovely spot for a BYO lunch.

Tamworth Powerstation Museum

Did you know that in 1888, it was the first city in Australia to be lit by municipal electric street lighting? This moment in history is celebrated at Australia's only dedicated electrical museum – the Tamworth Powerstation Museum where you'll discover unique exhibits including two John Fowler steam driven engines (the only two of their type operating in the world). It's a great morning or afternoon out for families and lovers of science.

Big Golden Guitar

If you didn't get a photo at the Big Golden Guitar, did you even visit Tamworth? Though the iconic attraction is what draws many visitors to the Tamworth Visitor Information Centre at the Big Golden Guitar, they are often thrilled to find that the complex also houses the Country Music Wax Museum, National Guitar Museum, Golden Guitar Café and a souvenir store alongside friendly and informative visitor services. Set aside a bit of time here to ensure you don't miss anything!
